

SAFETY POLICY

"At MPA Williams and Associates Pty. Ltd., the safety and well being of all employees is of paramount importance.

The Management team are committed to:

- Our OH&SMS objectives,*
- The progressive elimination of risks to employee health and safety,*
- Employee consultation on health and safety,*
- Compliance with legislation, and*
- An ongoing improvement in health and safety.*

The main health and safety goal for the company is "NO ONE GETS HURT". Everyone should go home at the end of each day in the same (or better) physical condition in which they arrived. We are committed to an ongoing development of our procedures to achieve this."
